Our Goal:

The Boomers Retirees' Club was organized in 2024 when several retired residents decided to meet and find ways to make new friends, stay active and become involved in Vanderhaven Farm activities together. The Boomers Retirees' Club has fostered the spirit of good fellowship, volunteerism and social activities on Vanderhaven Farm. It has been a place to meet new friends and enjoy age-appropriate activities of common interest to the group. General Meetings of the Retirees' Club are held at The Club House located by the pool and tennis court.

Coordination:

Vanderhaven Farm Village I Boomers Retirees' Club stays in touch with its members in a few ways. The monthly General Meeting brings members together to socialize and to share information about happenings on the Farm and within the club, such as the health and welfare of its members. At the General Meeting, an agenda is distributed about coming events and things of interest to members. The Retirees' Club maintains a database of members and email addresses. Members are notified by telephone or email of special events or items of interest. Announcements of coming events and a calendar of functions are available in the Boomers Retirees' Club Section of the Vanderhaven Farm monthly Newsletter.
